Treasurers:

Sam Medina

Goodwin Turner

Past President:

Joan Burd

Event Coordinators:

Ted Engelbert

Lorna Williams

Webmaster & Newsletter:

Paul Ellmore

Terrie's Thoughts

Musing a bit. Change, how powerful this simple word can be. To some, it is welcomed, others no big deal, and others destabilizing.

I personally embrace and welcome change, no big deal to me. When I agreed to spend a year with Los Angeles TWA Seniors/Ambassadors, it was not as a rubber stamp.

System wide, Clubs such as ours are disbanding. The aging of members, inability to drive, loss of friends, and disinterest are usual reasons. I felt changing things a bit may encourage more to attend and decided to try.

My goal is to work as a team, titles are limiting. With a solid cooperative Team, sharing responsibilities, we can and will thrive and continue.

First was to reach out to more "departments," have members invite friends, reach out to those who may live elsewhere, and most of all, let go of old stuff.

Next was to find other venues, why not? That was done first with our June 7th Luncheon at the Porter Valley Country Club. It worked, location and food, very good, service excellent. Attendance was better than expected. Old friendships were renewed.

That brings up our next Luncheon. September 14th at the Knott's Berry Farm Hotel. Yes, The Knott's Berry Farm of our memories. 7675 Crescent Avenue, Buena Park, Ca 90620. The cost will be \$30.00 per person, member or guest. Parking is free ... by telling gate guard that you are attending the TWA Luncheon.

The Menu choices are listed here on page 3. Reservations will close September 1st. This will enable adequate set up time for both the Hotel Catering Staff and our own Team and Treasurers.

Did you work side by side with a friend no longer a member, or in the area? How about inviting him/her to join us. Go through your address book, see whom you would like to see again, reach out. Worked for me.

Knott's Berry was the suggestion of our wonderful team member and LAXTW.org Web-Master, Paul Ellmore. Have an idea for a future Luncheon location, please tell us.

We started our NEW ID BADGE program at the Porter Valley Luncheon in June. It was received quite well, and this Newsletter (and the next one) will have the area on the back of your Luncheon Reservation Form for you to enter your TWA Career Information. Those that made additions or corrections at the Porter Valley Luncheon will get a new badge. Be proud of the contribution you made to the success of TWA by wearing your new ID where everyone can see it. Don't let your meal selection ticket block any of your career listings.

Our Luncheon photos that appear on our website will soon move over from Picasa Web Albums to Google Photos. Picasa (a Google product) is going away very soon. Our website has instructions on how to view and print from Picasa, and soon those instructions will be for Google Photos.

New Luncheon ID Badges

More informative name badges are being prepared to make our Luncheons more meaningful. Your valued contributions to TWA (providing the luxury in air transportation that TWA was known for) are appreciated and should be acknowledged. Please list what you consider your top four positions at TWA, and where, plus the total number of combined years of employment. At each Luncheon you can make changes or additions, and the corrected badge will be available at the following Luncheon. Use the space below to enter your top four positions, and combined years of service. Use a new sheet of paper, if needed, if both spouses have TWA employment, and your guests too.
