

TWA AMBASSADORS LAX

Membership Application ... Membership Renewal

Our purpose is to keep the spirit and friendships of TWA alive. All past employees are asked to join ... everyone who helped provide the luxury in air travel that was TWA ... Trans World Airlines.

Dues are \$12 per calendar year, January 1 thru December 31, regardless of what month you join. Past Employee and Spouse or Child are considered as one member.

Four luncheons are planned thru out the year at various locations in the Los Angeles area. We hope that most of these venues will be a short drive from your home. Our newsletter is published four times a year to keep you updated on past and future activities, as well as important happenings concerning other members. We maintain a web site that is updated quite frequently. It contains information helpful for being a current member of our club, as well as a past employee of TWA. We are part of the national TWA Seniors Club, and we recommend that you join that organization too. A separate application is maintained on our web site.
