My Darling Wahine's and Kane's ALOHA!

Yes, it's a HAWAIIAN THEMED LUNCHEON. Men get those Hawaiian Shirts out and My Lovely Ladies, Grass Skirts & Coconut Tops, HA.

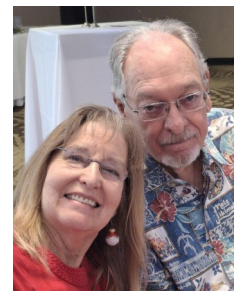

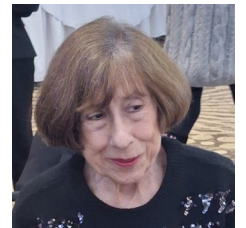

How Glorious it was to exit the plane on arrival at one of the Islands and inhaling the fragrance of the Plumerias.

Thank You TWA for exposing us to the Pleasures of Life. MAHALO — Mary Christine.

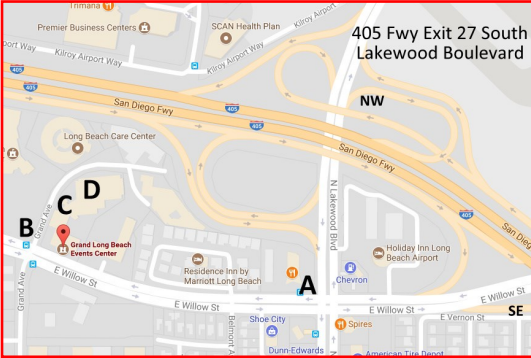

This Newsletter leases Microsoft "Publisher" software. Microsoft has decided to drop "Publisher" from its available portfolio and will call in all current licenses; which means I will have to find another software company that has a publisher product. If I can not find other publisher software before the next Newsletter, I will use "Word" by Microsoft, meaning there will not be any photos attached. For past and future photos, go to our website "laxtw.org."

If you know of anyone with an old, stand alone version of "Microsoft Publisher" which I can purchase, please let me know at paul.e@laxtw.org. — Paul
