My Darlings:

Santa is on His way and will be arriving at The Grand Event Center December 8th. We shall Celebrate the Joy of The Season Together. How Wondrous it is, We "The TWA Family" have shared many Glorious Years of Memories.

My Heart Rejoices Every time We meet up and Share Life. Our Attitude will Always be SO Grateful for this TWA Company. We Rejoice that We had The Golden Years of Flying.

May this Holiday Season fill Your Hearts with Love, Your Home with Joy and Your Days with Laughter. I do so Love and Cherish you all.

Mary Christine

Please keep the Club together and functioning by renewing your membership for 2027. as well as attending every event. Include your 2027 membership check payment with your Luncheon Reservation. If unable to attend this 08 December 2026 event, just return the form with your annual 2027 membership dues. We value your friendship, your loyalty, and your willingness to keep the TWA spirit alive. Dues pay for our website, and the printing and mailing of Newsletters, and helps us meet the financial pre-payment (down-payment) requirements for upcoming Luncheons. You also help our financial reserve by joining our 50/50 raffle at each Luncheon. Your membership includes a spouse or a partner.

This is the last Luncheon of the year, and it includes the election of Board Members for 2027. All positions are open for your consideration, and we hope you will decide to become a Board Member. The positions are listed at the top of this page, and the exact duties are listed on our website, laxtw.org, then click on Club Details, then click on Constitution, then download the manual. Board Members & Event Coordinators receive no monetary compensation.

Microsoft has discontinued their Publisher program and automatically disabled all Publisher software from everyone's home and business computers, so this Newsletter is using Microsoft's Word word-processing software. You can attach a photo or two, but not the capability to include 80+ photos that I have always included from the previous Luncheon. I will still be taking photos, but they will now be available on our club website only. It takes about 7 days to download our Luncheon photos and edit and trim (and possibly re-focus) all 80+ pictures. Our website is laxtw.org and I hope that you are viewing it at least monthly. --- Paul
